## **Stephanie Smith Joins ATC Associate's Atlanta Office**

Stephanie Smith joined ATC Associates Inc. as a Client and Business Development Manager for the Atlanta Office. She brings more than 16 years of marketing and business development experience to this new role. Stephanie began her career marketing the State of Georgia to prospective and existing companies considering relocation or expansion. For the past 10+ years, her key focus has been in the architectural, engineering and construction industry.

Over the years, Stephanie has remained an active networker throughout Georgia. She has served on committees and been involved in such organizations as the National Association of Industrial and Office Properties, Georgia Economic Developers Association, Society of Marketing Professional Services and Georgia Hospital Association. In addition, Stephanie earned a B.S. in Marketing from Auburn University.

ATC Associates Inc. (ATC) is a multi-disciplinary, science and engineering firm committed to helping clients accelerate sustainable business strategies by offering expertise in these areas: Environmental Management, Geotechnical Engineering, Construction Materials Testing & Special Inspection, Roofing & Water Proofing Consulting, Industrial Hygiene & Occupational Health and Environmental Health & Safety Training. For more than a quarter of a century, ATC has supported high profile projects in Metropolitan Atlanta and throughout Georgia. Year after year, ATC Associates Inc. has been recognized by *Engineering News-Record* (ENR) as one of the leading environmental and design consultants nationwide.

ATC has more than 1,800 engineers, scientists, technicians, health and safety professionals in 68 offices and 36 states, along with a network of training facilities and analytical laboratories. Year after year, *Engineering News-Record* ranks ATC among the top 100 design and environmental consultants nationwide.
